## Art | Market Street Poster Farewell Tour

Since January, Jonathan Burstein's [eye-catching collage portraits](#) depicting local people have added a welcome touch of color to downtown San Francisco. He created the series out of hundreds of photos taken in the neighborhood; the portraits are renderings of real people, like a bike messenger and a cab driver. Before the exhibition ends on April 1, [Mr. Burstein](#) will lead a free evening tour of his posters with time for questions and a postwalk drink and snack. *Thursday at 6 p.m. Tour meets outside the Embarcadero BART/Muni station in front of the Grand Hyatt Hotel, 5 Embarcadero Center, San Francisco.*
